Out to People**

ABOUT PROP:

PROP is the only food shelf that serves Eden Prairie and Chanhassen. For 45 years, PROP has been providing food and financial support to our neighbors in need. Each month, 465 households come to PROP seeking essential staple food items. Individuals, seniors, veterans, families and new immigrants. 45% of PROP's clients are children. In addition, 1,100 households visit the pantry where they find fresh foods.

PROP is a registered 501c3 non-profit that is 100% supported by our local community through financial and food donations. A gift to PROP is tax-deductible and most importantly, it helps a neighbor move to a place of stability and self-sufficiency.

100% OF PROCEEDS GO TO PROP.
