Sponsor A Day

#Shop4PROP

“I don’t know what we would have done without PROP food.” -

Joan, Eden Prairie Senior

Each month, 465 households in Eden Prairie and Chanhassen come to PROP seeking essential staple food items. Individuals, seniors, veterans, families, new immigrants. In addition, 1,100 households visit PROP’s pantry where they find fresh foods: produce, bakery and dairy products.

“Sponsor A Day” program invites individuals to sponsor a day or week in the life of PROP’s Food Shelf. Here’s how it works.

Empty Shelves 2015

It takes 1000 pounds of food or \$1000 to fill the shelves for a day. That’s 75-15 lb. bags of food.

It takes 5000 pounds of food or \$5000 to fill the shelves for a week. That’s 375-15 lb. bags of food.

Sponsor A Day donors will have the opportunity to choose the day of sponsorship in honor or memory of a loved one, if desired.

“Sponsor A Day” founding individuals will be featured in local media outlets to encourage others to join us in filling the shelves to abundance at PROP.

Will you help us fill our empty shelves by sponsoring a day in the life of PROP Food Shelf?
