

Thanks to you, in 2016, more than **1,000 families** have been able to put food on their tables or have been given a helping hand as they struggle through a financial crisis.

Your gifts ensured that evictions were avoided and homelessness was prevented. Kids and seniors had food to eat and holiday gifts under their trees. Men and women were given a hand up so they could get back into the workforce and rebuild their lives.

Because of your donations....you helped feed and help an incredible 3,000 people this year!

Clients like Carol*, Tyler* and Donald* who wanted to reach out and thank you personally by sharing their stories. Stories that show how we, together, are helping families rebuild their lives.
