We take pride in the craftsmanship of our products here at ABC Millwork & Cabinetry. After all, we are building the American Dream, and we take that mission seriously. Our assembly team is a key force in ensuring that quality and attention to detail. Our state-of-the-art operations are designed so that you can deliver your best. We also understand that you have dreams of our own. At ABC, you'll find a wide range of career paths to build your skills - and your dreams.

### **Things you should know about working at ABC Millwork & Cabinetry:**

- We are all about teamwork! All positions are hands on and we band together when necessary.
- We support each other. We have local and corporate team members to help you along the way and partner on projects as appropriate.
- We are a relaxed atmosphere, this is not a suit and tie environment.
- We work hard. We are a continuous improvement driven organization and we are focused on keeping organized and on task.

### **How you will spend your days as a Driver Helper:**

- Ride with drivers and assist in the loading and unloading of windows and doors
- Occasionally assist in stocking trim in the warehouse
- Occasionally receive product and move material within the warehouse
- Keep staging areas clean and organized
- Assist load builders and delivery as required by location management
- Retain an awareness of the work environment critical to the task at hand to produce error free and damage free results

### **We offer...**

- Health care benefits, starting the first of month after 30 days of employment
- Monday - Friday schedule with occasional overtime
- Earn a starting pay rate of \$15.35/hr.
- 401(k) with company match
- Closed holidays
- Paid time off
